### And What Have You

By BOB CRAIG

With the off year election just around the corner, talk is still rather sparse and the vote will probably be just about as light.

State-wide, the race between Waggoner Carr and John Tower may be creating some interest but around this area it does not seem to be causing much stir.

Voters will also be deciding the fate of 16 amendments to our state's antiquated constitution.

Since this is an off year, election-wise, it is very doubtful that the turnout will be very great. This is a shame because there should be more interest shown in who will represent us in the Senate.

Part of this problem arises from the fact that it has been some time since Texas has been truly represented in the Senate anyway. When you have a far out Democratic Liberal holding down one seat and a far out Republican Conservative in the other seat you might just as well not have anyone up there.

The following two paragraphs are taken from an editorial in the Matador Tribune and pretty well sum up this writer's opinion on the senate race.

"Let us weigh these facts: The Democrats are in power and Texas is a Democratic state. Any influence we may have in Washington must come from Democrats. We can't change the picture with Texas Republicans. John Tower is proof, assuming that he is capable, he might as well be in outer Mongolia as Washington, as far as his value to Texas is concerned.

"It is possible that you, as a voter, may be disgruntled about the administration, and that you plan to do something about it come Nov. 8. The best way to change things is with representation in the party that is in power. To elect Republicans is like throwing the pole, line, hook and bait in the creek. It is, of course, your prerogative. It is your vote."

For these reasons and the fact that Waggoner Carr as proven to be a very capable public servant during the years he has been in Austin we feel that he can best serve the interests of West Texas in Washington.

As usual during this time of the year, "King Football" is the top topic of conversation whenever people gather for coffee around town. And most of this is centered around three leagues: District 5-AA, the Southwest Conference and the National Football League.

And the way things are going now all three leagues are furnishing ample matter for conversation as their race for the crown get more confused each week.

With Stamford and Colorado City tying Friday night it put Winters out in front in District 5-AA but they must face Stamford, Anson and Colorado City in their final three games. So, it would seem likely that it could go down to the wire before the winner is decided.

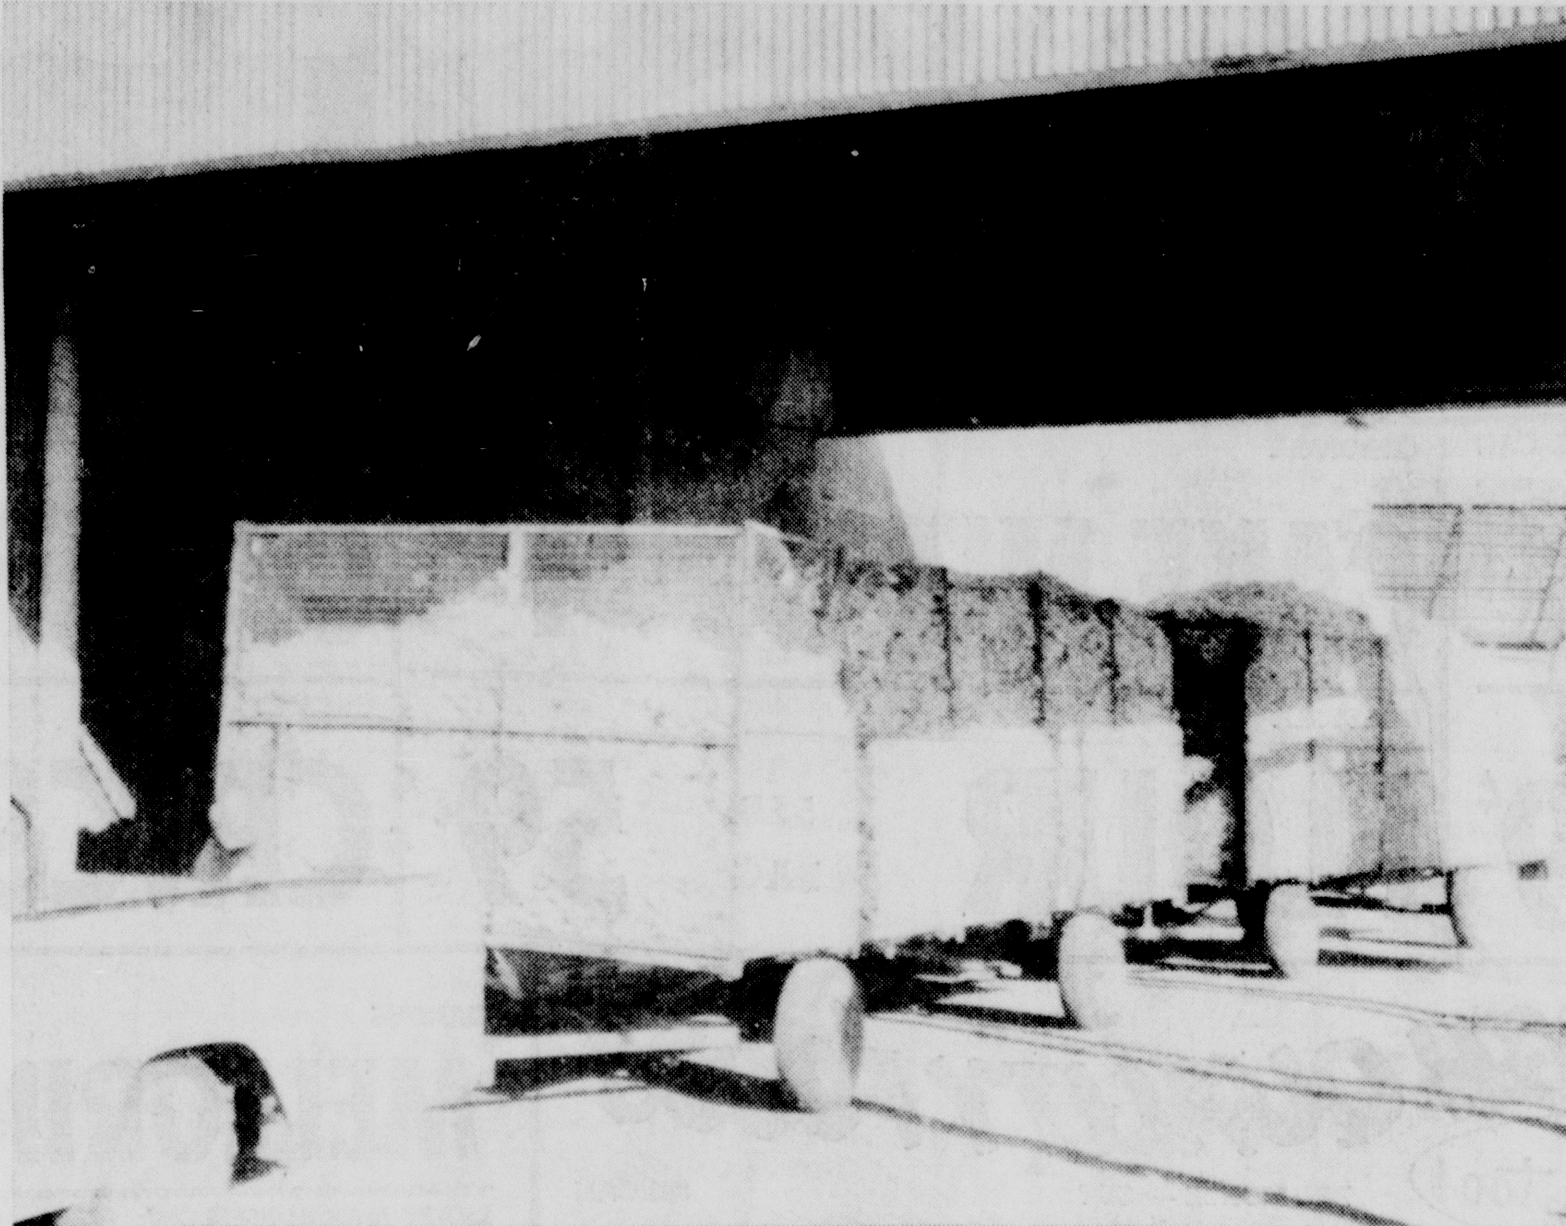

In the Southwest Conference it is even more likely that things will get worse before they get better in settling on the champion. When the sentimental favorite, Baylor, got beat Saturday by A&M, things took on a new look in that conference with A&M and SMU in the lead.

Both of these teams have a long way to go and if both lose a game it opens it back up for Arkansas, Texas and Baylor.

So this one could have to wait until November to decide who will play in the Cotton Bowl. And of course, if A&M wins it, it gets worse because they can not play in a bowl game.

And the Cowboys would seem to be something else as they were going great-guns and now find themselves tying and losing a game. If this is just temporary they are still in good shape as they remain tied for the lead. But if they are in a slump of any duration they could be in real trouble.

And on the local scene, we would hope for the sake of the boys that are out there trying, that more Hamlin fans show up for the game here Friday than have been at the last two games. The boys deserve more than this.

**GINS BEGINNING TO HUM** — Fifty-seven bales of cotton were processed at the Farmers Co-op Gin here Tuesday and a larger number was expected to be ginned Wednesday when this picture was taken. With

favorable weather conditions it is expected that the harvest will be in full swing by next week. Jody Ford behind the pickup unhitches the trailers of cotton. Bill Guerra is on top of the load working the suction.

### Mother of Mrs. B. V. Newberry Dies In Chillicothe

Mrs. Mollie Young, 93, mother of Mrs. B. V. Newberry, died Sunday morning in the Chillicothe Hospital.

She was born Aug. 7, 1873. She had been a resident of Hardeman County for 60 years.

Services were held at 3 p. m. Tuesday in Medicine Mounds Baptist Church where she was a charter member. Burial was in Big Valley Cemetery.

Survivors include three sons, three daughters two brothers, two sisters, 11 grandchildren, 13 great-grandchildren and one great-great-grandchild.

### Local Young People Plan Drive For CROP Here Sunday Evening

The young people of Hamlin will band together Sunday evening in a community wide effort to gather funds for CROP, the community Food Appeal of Church World Service.

Food, fibre and cash is collected in communities throughout the United States for the world relief programs of the churches.

Sponsored by the Hamlin Ministerial Alliance, the CROP drive will be held Sunday from 5:30 to 6:30 p. m. The youth will assemble at First

Methodist Church in the Fellowship Hall at 5 p. m. to receive assignments and instructions.

Through CROP emergency supplies are provided for disaster victims, milk and foods are used for deprived children in school feeding programs, self-help materials and food-wages in development reconstruction and rehabilitation projects are made possible.

Governor John Connally has designated Oct. 24-31 Texas Crop Week. CROP has become a symbol of Halloween to the young people of Texas.

The youth will be identified by an orange and yellow tag identifying Crop and Church World Service.

Rev. C. J. Rigmaiden, president of the Hamlin Ministerial Alliance, is being assisted by Rev. Marshall Stewart and Rev. Cecil Hardaway in setting up the drive.

### Services Held Here Friday for Mrs. W. H. Johnson, 76

Services were held here Friday at 2:30 p. m. for Mrs. W. H. (Emma) Johnson, 76, in First Methodist Church. She died at 10:40 a. m. Thursday at Holiday Lodge.

Rev. Cecil Hardaway, pastor, officiated. Burial was in Hamlin East Cemetery.

Mrs. Johnson of 237 West Lake Drive had lived in Hamlin for 50 years. She had been ill for two years.

Born June 11, 1890, she was the daughter of the late Mr. and Mrs. R. M. Hudson of Callahan County. She married Will H. Johnson in Jones County Aug. 18, 1907. He died in 1948.

She was a member of First Methodist Church.

Survivors include two brothers, Bill Hudson of Abilene; Weldon Hudson of Hamlin; six sisters, Mrs. Fed H. Britton, Mrs. R. E. Gilbreath, Mrs. W. J. Renfro, Mrs. B. E. Mixon, Miss Valeria Hudson, and Miss Ava Hudson, all of Hamlin.

Pallbearers were John Howard Jr., Cliff Reynolds Jr., Cecil Richardson, Ed Gardner, Don Hymer, Bill Smith.

Mr. and Mrs. A. J. Pemberton returned home Sunday after a 3,600 mile trip to Detroit, Mich., Indiana, Ohio, Kentucky, Louisiana, Arkansas, Kansas and Oklahoma. They visited their son, A. L. Pemberton and family, in Detroit and a grandson, Billy Pemberton at Oakland University in Rochester, Mich.

### Former Resident Selected for Army Air Defense Post

Col. Willie L. Scott, son of Mrs. Frances Scott, 153 S. W. Fourth, has been selected for a four year assignment with the Army Air Defense Command (ARADCOM) in Colorado Springs, Colo.

He was one of the National Guardsmen to be nominated by the respective adjutants general of the 50 states and was chosen by Lt. Gen. Robert Hackett, commander general, ARADCOM, after the list had been narrowed to four men.

Col. Scott, 46, has been affiliated with the National Guard of Texas since Oct. 10, 1938.

A graduate of Hamlin High School in 1938, he received his BS degree in 1947 and MA degree in 1949 from Hardin Simmons University, Abilene.

He is married to the former Billie Sue White of Lamesa. They have two children, Richard, 8, and Allison, 7.

### BRIDGE WINNERS

Winners at the Tuesday evening session of the Hamlin Duplicate Bridge Club were Harvey Elkins and Grady Bowdry of Stamford. Mrs. W. L. Hunter, Jr. and Mrs. L. W. Shivers were second, and Mrs. Grady Bowdry and Harry Yates of Stamford were third.

## Cotton Growers Seeking Help In Getting USDA Ruling Changed; Area Farmers Being Penalized

Farmers in the Rolling Plains are now receiving 1967 cotton allotment and projected yields. In 24 counties covered by the RPLC projected yields for 1967 are less than they were in 1966. In seven counties, 1967 yields exceed 1966 but not as much as they should. Most other counties in the State and other states are receiving increases of substantial amounts.

According to Charles Stenholm, executive vice president of the Rolling Plains Cotton Growers, some of the decreases in yield in a few counties in the Rolling Plains are justifiable but about 80% are not. "If you are a skip-row farmer and have been for the past five years, you are being unfairly, if not illegally, discriminated against by a ruling from the USDA. The ruling has the effect of saying that skip-row penalties in force during 1966 are also retroactively in effect back through 1962 through 1965. In other words, if you planted cotton 2-1 (2 rows cotton - skip 1 row) in 1963, the Department is now saying

The Pied Pipers will host Haskell here Friday night in the final home stand for the local team. Both teams will be seeking their first district win. Haskell lost last week to Anson, 8-0, and to Winters the week before, 31-3.

Coach Joe Youngblood said this week that he expects his team to be in better shape this week with the return of some of the injured. Lewis Shelton is expected to see action this week after being injured in the Clyde game.

### Miss Williams Wins Magazine Drive Contest

Latrese Williams was top magazine salesman in the P-TA magazine drive completed Monday. She sold over \$100 in magazine subscriptions and becomes eligible for a drawing for a trip to Paris.

High salesman in each home-room receiving special prizes were Toni Casey, Deborah Sue Lee, Daily Ponder, Latrese, Rodney Rackley, Beverly Sutton, Vickie West, Ricky Gruben, and Vickie Dickerson.

Winners of room prizes in the elementary grades were Mrs. Ethel Allan's fourth grade, first; Mrs. Earl Brown's fifth grade, second; and Mrs. F. F. Shout's fourth grade, third.

The subscription drive for magazines and the Hamlin Herald netted the P-TA \$670.59 to be used for this year's projects.

### Eighth Grade Downs C-City, 14-6. Seventh Loses 30-18

The Mighty Mice defeated the C-City eighth grade Tuesday evening 14-6.

C-City scored first early in the game.

Hamlin's score in the first half was a pass from Dwayne Stewart to Brad Stallcup.

The second half kick-off was taken by C-City in the end zone and were stopped there with a tackle by Dwayne Miller for a safety.

A pass interception by Greg Perrin stopped a drive underway by C-City. Johnson made the last touchdown.

The seventh grade scored 18 points against C-City to go down in defeat, 30-18.

Ricky Rodgers scored two touchdowns and Oscar Guerra scored one.

their top running back several weeks ago when Half-back Thornton Gilmore suffered a knee injury in the game with Olney. Since that time they have taken to the air more. Against Anson last week they passed 32 times, completing nine for 109 yards.

Probable starters for the Indians will be Ray Herren, 165 pounds, at left end; Paul Hiebert, 210 pounds, at left tackle; Glen Smart, 155 pounds, at left guard; Bill Rathliff, 200 pounds, at center; Derrel Davis, 165 pounds, at right guard; James Wall, 175 pounds, at right tackle; and Stanley Fancher, 160 pounds, at right end.

In the backfield will be Tim Everett, 150 pounds, at quarterback; Johnny Josselet, 160 pounds, at left halfback; Kenneth Felker, 155 pounds, at fullback; and Keith Chapman, 150 pounds, at right halfback.

Operating from the Denver City type T, Everett is a good runner and an effective passer with his best receiver being his left end, Herren.

The Freshmen will host Albany here tonight (Thursday) at 6 p. m. and the B Team will host Anson in the game to follow. Both teams lost to Colorado City last Thursday in games played there.

Tuesday night the seventh and eighth grade teams will host Haskell in their final home game. The seventh will play at 6 and the eighth at 7.

### Booster Club Sets Ice Cream Supper Players, Parents

The Pied Piper Booster Club will host an Ice Cream Supper Monday night honoring the parents of all the high school football players, according to Burt Oliver, president.

The boys and their parents are invited to attend. It will be held at the high school cafeteria at 7 p. m.

The Haskell game movie will be shown.

### Jones County 4-H Achievement Banquet Date Set

The Annual Jones County 4-H Achievement Banquet has been set for Thursday, Nov. 10 at 7:30 p. m. in The Anson Grade School Cafeteria, according to a statement this week by Jones County Extension agents, Mary Y. Newberry and Kirby Clayton. The banquet was planned at a special meeting of Adult 4-H Leaders held in the county extension agents' office.

## Cotton Growers Seeking Help In Getting USDA Ruling Changed; Area Farmers Being Penalized

that your planting pattern is now counted as 86% cotton instead of 66% cotton as it was counted in 1963. When you divide this increased number of acres into your actual production, your pounds per acre must come down.

"If you are a skip-row farmer the pounds you have lost (1966 compared with 1967) plus the pounds you should have gotten in the new 1967 projection have been taken away from you by the ruling and given to solid planted areas of the State.

"The RPLC and the Fisher County Farmers Union have been actively working with the Department pointing out in the inequities of the ruling and the hardship it works on the skip-row farmer. The Department has re-opened the ruling but appears to be hesitant about making a change.

"The ruling will, if allowed to stand, decrease the amount of government payment to cotton farmers in the Rolling Plains by approximately 4 million dollars. Check with your local ASCS office to see

how it affects you or your county.

"The RPLC urges every farmer, banker, businessman who derives a substantial part of his income from cotton (this takes in most people) to write the Secretary of Agriculture and voice disapproval of the manner in which the skip-row farmers are being discriminated against by a ruling which says that a stalk of cotton in the Rolling Plains that made 10 bolls in 1963 is only entitled to count 8 bolls in 1967 because the Department changed the rules of the game after the game had been played.

"The unfairness of the ruling to our area has been admitted but thus far no corrective action. We lost the skip-row fight last year and we cannot afford to lose again. The economy of the Rolling Plains cannot afford to lose 4 million dollars because of someone's mistake. We have tried to work the problem out diplomatically but it appears that it will take a grassroots rebellion from the Rolling Plains to correct it."

## Mrs. Bill Davis Gives Program

The McBride Circle, W. S. C. S., First Methodist Church, met Tuesday in the church parlor with Mrs. S. L. Knox presiding.

Mrs. Bill Davis gave the program on the Call to Prayer and Self Denial.

Coffee and rolls were served to eight members.

About 30 % of Texas, or some 50 million acres, is under lease for oil and gas exploration.

## Mrs. A. A. Hackley Moderates Literary Club Program

"Teach Your Wife to be a Widow," written by Donald I. Rodgers, was presented to members of the Woman's Literary Club Friday afternoon by Mrs. A. A. Hackley, Mrs. L. H. McBride and Mrs. R. D. Moore in the home of Mrs. Moore.

Mrs. Hackley was moderator. Mrs. L. H. McBride discussed the importance of making a will and Mrs. Moore discussed investments and banking accounts.

In summation eight things the wife should do were pointed out by Mrs. Hackley. They were: be included in the operation of the family budget; be prepared for an occupation in order to be self supporting; have a plan for investments; know the banker, lawyer, accountant and others connected with the husband's business or interests; have will prepared and be instructed on how to be executor of an estate; know how to stretch insurance; have money in own bank account for emergency; have letter prepared with instructions concerning insurance and other important papers.

Other members present were: Mmes. Joe A. Simpson, Charles Reed, Francis Schneeweis, Jerry Williams, Ted Seay, Jackie Williams, Johnny Jeffrey, Joe Wayne Carter, Loyd Burkhardt, A. A. Wade, C. F. Cook, A. B. Carlton, James Eddie Jay, Donald Young, Bob Craig, Kenneth Young and Virgil Steele.

The next meeting will be Nov. 4 in the home of Mrs. E. E. Monkres.

## Mrs. Tim Jones Presents Slide Program of Colo.

Beta Theta chapter of Beta Sigma Phi met Wed., Oct. 19, in the home of Mrs. David Casey with thirteen members repeating the opening ritual.

Mrs. Tim Jones gave the program using her slides of Colorado and the Royal Gorge.

The test covered reading comprehension, word meaning, and mathematics. The two hour test is required for admittance to over 800 colleges in the United States. The results will be returned in December.

The Green Door staff is really doing a fine job on the high school newspaper. It consists of Geneva Ward, editor; Beth Craig, assistant editor; Sammy Ferguson, sports editor; Darrell Craig, assistant sports editor; Linda Goodwin, copy editor; Cindy Bryant, organizational editor; Patsy Cowan, class editor; and Mr. Milburn Wink, advisor.

The band has started work on their contest show this week. Mr. Jones and the entire band are a little worried about the length of the show, seven minutes and 50 seconds. Bands with a marching show over eight minutes long are disqualified from judging results.

Water balloons seem to be a new source of talk during study hall. Few indeed are the high school students who aren't planning some pranks this weekend and Halloween. Beware students — of the new type hobbler with the thin rubber coating and a cold liquidy content.

The Library Club held a meeting Tuesday night and voted to attend the Teenage Library Association at Mann Junior High School in Abilene Saturday.

After the business had been attended to the club cleaned the library and had refreshments.

## OLD GLORY NEWS...

By Judy White  
Cotton harvesting season is here again, but it seems strangely quiet this year. We miss the hum of the old cotton gin. The Old Glory gin is not operating this year and farmers are having to haul their cotton to neighboring towns.

Old Glory Pirates scored a big victory over Noodle in their opening game of the basketball season on Tuesday night of last week. Larry Egan hit 33 points and led our boys to a 63-32 victory Joe Mack Boles made the most spectacular play of the night when he tossed the ball from the Noodle end a split second before the bell rang at the close of the first quarter and put it right through the Old Glory basket.

In the girls game, Stephanie Letz led the way with 45 points as old Glory took a 66-24 decision.

Mr. and Mrs. Oren (Sprout) Baldree were honored with a housewarming last Sunday. The Baldrees have recently built a new home on their farm about three miles east of Old Glory. Hostesses were Mmes. Clovis Henderson, Cliff Gholson, Edward Wolsch, Eugene Vahlenkamp, B. A. Erdman, Herbert Lammert, Curtis Weise, Herbert Vahlenkamp, Lewis Corzine, Arnold Heathcott, and Vernon Baldree. About seventy-five guests attended.

Members of Old Glory attending the District meeting of Delta Kappa Gamma in Haskell last Saturday were Mmes. Tom Pritchard, Travis Bail, Cecil Klump, and J. B. Pumphrey.

Jackie Pritchard spent several days in Abilene last week visiting his grandparents, Mr. and Mrs. Jack High.

James D. Blaine of Dade City, Florida visited in the home of Mr. and Mrs. Oren Baldree last week. Mr. Blaine and Baldree were army buddies in World War II.

## Agent Sites Need For Pasture Care

Pastures are almost a year-round growing crop and will be making money after other crops are harvested. Therefore, says County Agent Kirby Clayton, pastures should not be neglected during the busy harvesting season.

Each season's pasture needs its own fertilization and care, he points out. Farmers or stockmen who did not plant enough winter grazing early still have time to plant wheat, oats or rye grass or mixtures of these for winter and early spring grazing, says Clayton. A soil test recommendation should be followed in making fertilizer applications.

Mrs. Jack Willingham presided and presented the first place plaque for the entry in the homecoming parade. Secret sisters will be drawn at the next meeting, which will be the pledge ritual Nov. 7 in the home of Mrs. James Harrison.

## SYLVESTER NEWS...

By Mrs. R. M. Babb

Good morning! Every body is very busy and no time to talk, combining maize, pulling and stripping cotton and any thing else that goes with the farm. The weather seems to be in accord with all as it is pretty but cool this morning, so therefore we should have a big bunch of energy?

Mrs. Belle Douglas had visiting in her home last week Douglas Moffett and family, Mr. and Mrs. Jack Perkins from Girard.

Mr. and Mrs. Edwards of

O'Donnell and Mrs. Bill Edwards and son of Amarillo spent a few hours with Mrs. John Edwards last Tuesday.

Mrs. Chub Hardwick and son Wenzel Marlin came home Tuesday, accompanied by Mrs. Walker of Abilene, Mrs. Hardwick's mother, who has been helping Noressa care for the new baby.

Mr. and Mrs. Woodford Pursley took their grandchildren home on Thursday after Mr. and Mrs. Fred Fountain returned to Fort Worth having been here several days attending to business.

Mr. Pete Pursley and son Cadmus of Andrews, Mr. and Mrs. Woodford Pursley ate lunch with the Homer Pursleys on Sunday. Pete and Cadmus were driving on to Ft. Worth for a few days.

Mrs. Delia Beard is visiting her sisters here. She lives in Ft. Worth.

Mrs. Emma Henry is in Callan Hospital, having suffered a bad heart attack last week. She is improving but will be there several days yet.

Mr. Chunkie Brown is in Hamlin Hospital with the flu. We surely hope he does alright.

Mrs. J. J. Self, not being able to live alone since she has had several strokes, has sold her home to the Ernest McCrieghts. We hope our new residents will like us, although we will miss Mrs. Self very much.

Our sympathy to the Lawlis family on the loss of Mr. George Lawlis, every one that knew him loved him. Many of our people here in town attended the funeral in Hamlin on Sunday afternoon.

The Kenneth Leverett's spent the weekend in Abilene visiting relatives and friends.

Visiting in the Fred Turner home the past few days were Mrs. Thomas Bartley and son, Mr. and Mrs. Roy Collier all of Brownfield, and Mrs. Floyce Campbell of Abilene.

The Gary Douglasses and Kenneth Douglasses visited in their parents home, the Ross Douglasses, and attended the Trent Homecoming.

Mrs. Ella Scott, of the Holiday Lodge in Hamlin got out to the Charles Scott home on Sunday for a day early birthday dinner and a visit with her daughter and family.

Mr. and Mrs. Murrel Turner of Farwell and Grand son and family, Mr. and Mrs. Charles Allen Scott of Abilene, Mrs. Ella reported to me that she really had a wonderful time and hopes it won't be long until she can come home to stay.

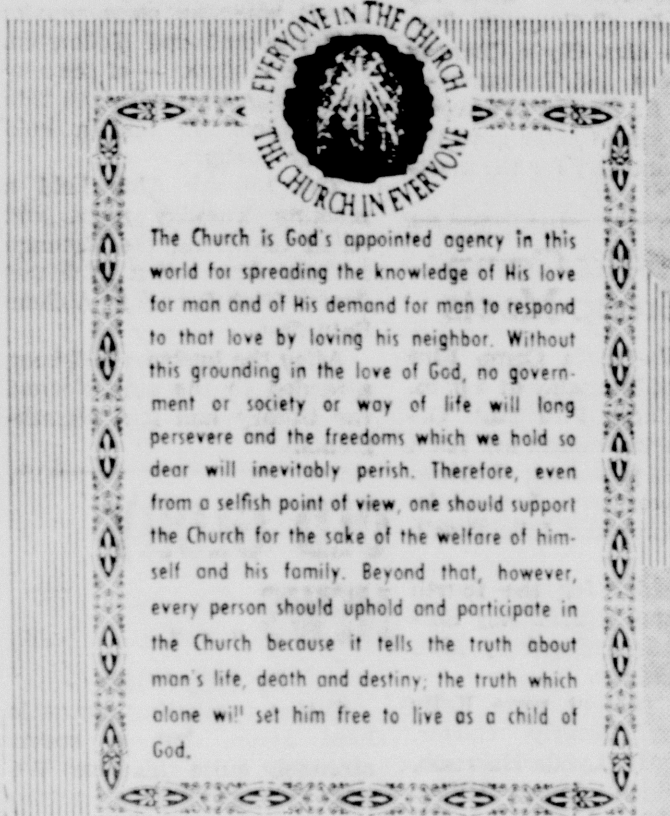

Miss Lula Hassey of Tye spent last Thursday night with Mrs. Ruth Brown. Miss Hassey is the retired Postmaster of Tye. Also visiting in the Brown home on the weekend were the Jerry Prather family of Sweetwater.

## LEARNING GOOD HABITS EARLY

*"Train up a child in the way he should go; and when he is old, he will not depart from it."*

This statement (made by Solomon, thousands of years ago) is just as true and vital today as it was then.

Teach your children the good practice of saving for the future. Teach them to attend worship services in God's house by taking them each Sunday.

MAY THIS MESSAGE BE AN INSPIRATION TO MANY IS THE SINCERE DESIRE OF THE FOLLOWING INDIVIDUALS AND BUSINESSES OF HAMLIN.

# Fumbles, Pass Interceptions Kill Pipers As Winters Wins 33-7

The Winters' Blizzards racked up three touchdowns Friday night before the Pipers could get their offense moving as the Blizzards won their second district contest, 33-7.

The Blizzards moved up to district leaders as the Stamford Bulldogs and the Colorado City Wolves fought to a 6-6 deadlock.

The Pipers failed to stop the Blizzards in the first half and they scored 19 points. The Pipers defense did a better job in the second half only to have the offense lose the ball five times on fumbles and interceptions.

The Blizzards took the opening kickoff and drove 75 yards in nine plays to get on the score board with 7:32 left in the quarter. Quarterback Alvin Dunn scored from 29 yards out. The extra point try failed after the Blizzards were penalized 15 yards.

The Pipers gained a first down after the kickoff but were forced to punt from their own 40.

Operating from their own 28, the Blizzards drove down to score again with Fullback

Jerry Awalt going 20 yards on the draw. Dunn tried to pick up two points on the extra point play but his pass went incomplete.

The two teams exchanged punts with Winters gaining field position after Sammy Ferguson's 19 yarder to the Hamlin 28. Awalt scored again on a plunge over left tackle from the 14. Fred Gray booted the point after.

Playing at halfback and tailback, Philip Simpson got the Pipers moving in the waning minutes of the first half. He carried for 36 yards from his 27 to the Winters 37 and then Ferguson carried twice for seven yards. Simpson picked up another first down with a four yard carry to the 26. He was thrown for a yard loss and then picked up seven and three yards. Ferguson carried

## Field Day Set On Defoliation Friday On Propst Farm

A Cotton Farmers Field Day to observe results of the defoliation demonstration on the Hoke Propst farm will be held at 9:00 a. m. on Friday, October 28th according to an announcement today by Jones County agent, Kirby Clayton. The demonstration plot was put out at 11:00 a. m. on October 18th by the Hamlin Flying Service and was sponsored jointly by the Chemagro Chemical Company of Dallas, Farmers Coop Gin of Anson, and the local county agent.

Five different materials or combination of materials were flown on at various rates and combinations. The various treatments and costs are listed below:

1. ½ gallon Arsenic Acid in 5 gallons water (.87½ cents per acre)
2. 1 pint Paraquat in 5-10 gallons water (.350 per acre)
3. 5 lbs. Sodium Chlorate in 5 gallons water (\$1.77 per acre)
4. 1½ pints DEF in 5 gallons water (\$1.60 per acre)
5. ½ pint Paraquat and ½ pint DEF in 5 gallons water (\$2.01 per acre)

The demonstration is on the Hoke Propst farm, just across the road from the Anson Farmers Coop Gin in Anson. All farmers are invited to come and see the results at 9:00 a. m. Friday, October 28.

The demonstration has been marked so that those who can't make the field day, may come by and observe the results later.

## Farmers May Graze Diverted Acres After Nov. 1

Farmers who diverted acreage under the 1966 feed grain, wheat and cotton programs will soon be able to graze this acreage without losing program benefits, A. D. Hill, Chairman, Agricultural Stabilization and Conservation Committee, has announced.

The starting date for such grazing will be November 1, marking the end of the 6-month period during which the no-grazing provision was in effect under the diversion programs.

The Chairman stressed, however, that this program relaxation regarding use of the acreage applies only to grazing acres diverted from commodity production. Hay on such acreages still may not be harvested.

Land diverted under the Conservation Reserve Program may not be grazed or harvested through the whole year.

Jones County farms participating in the 1966 Commodity Diversion programs number about 1,700.

## Absentee Voting Running Light In Jones County

Absentee voting for the general election Nov. 8 has been light in Jones County. Normally this is a barometer as to the total vote to be cast in an election.

Up until Monday noon, two persons has cast ballots in the office of County Clerk Roy Thorn and five ballots had been mailed out.

The ballot is about 17x22 inches in size and contains 16 proposed amendments to the Texas Constitution as well as the Democratic and Republican candidates for national and state offices. Also listed are the Democratic nominees for county offices and a column is provided for write-in.

down from the five. Quarterback Fred Wilder rolled out around his right end for the score. Gary again kicked the point after.

Paul Long completed three

passes to Joe Adams that put the Pipers on the Winters three as the clock ran out of time.

Top ground gainer for the game was Awalt with 150 yards in 19 carries and Simpson was high for Hamlin with 109 yards in 19 carries.

# STATE CAPITAL Highlights AND Sidelights by Vern Sanford

Austin — Texans will vote on 16 proposed amendments to the State Constitution on November 8.

Major interest has been attracted to two amendments: No. 11 would double the Texas Water Development Fund from \$200,000,000 to \$400,000,000 and broaden its uses to include water filtration, treatment and transportation facilities.

No. 7 would repeal the poll tax (already nullified by court decision) and substitute annual voter registration.

Other amendments would: Increase elected judges of the Court of Criminal Appeals from three to five (No. 9).

Exempt agricultural lands in urban areas from full-value taxation (No. 1).

Provide that taxes or bonds voted by school district will be invalidated by changes in boundaries (No. 10).

Remove limitations on voting by armed services personnel (already invalidated by federal court (No. 14)).

Set legislator's term beginning on opening day of regular lawmaking sessions (No. 16).

Remove Arlington State College from permanent university fund (No. 3).

Authorize Legislature to pass laws to accomplish the following:

Create airport authorities (No. 2).

Set terms of conservation district directors up to six years (No. 4).

Provide a statewide retirement system for employees of counties and subdivisions (No. 5).

Permit benefit payments to survivors of law officers, prison guards and firemen killed on duty (No. 6).

Ease voting restrictions for those who have recently moved (No. 8).

Provide for dissolving hospital districts (No. 12).

Permit major counties to consolidate some governmental functions and make contract with each other for services (No. 13).

Authorize acceptance of private or federal funds for aid to physically and mentally handicapped (No. 15).

Oil Allowable Up — Texas Railroad Commission hiked the statewide oil production allowable for November to 345 per cent of potential. It was the second monthly boost in a row and the highest level since June.

Factor permits production of 3,179,115 barrels a day, compared with 3,154,384 for October. Figure for November last year was 2,884,856 at 28.4 per cent. In taking the action, Commission noted strong demands for gasoline and kerosene and declining crude oil stocks.

Court Speaks — Dallas County district attorney asked the Court of Criminal Appeals to reconsider its ruling that Jack Ruby, convicted slayer of presidential assassin Lee Harvey Oswald, must get a new trial.

Supreme Court declined to reconsider its opinion that the City of Dallas could order a movie to be advertised as not suitable for youngsters.

Reversing the lower courts, the Supreme Court ordered a new trial of a Burnet County

couple's suit concerning the method of computing interest on a loan from Fredericksburg loan association.

In a Seguin case, the high court agreed that a school district can reassess invalid values it places on property.

Industrial \$\$\$ — Texas is one of four states still without some type of statewide industrial financing.

Texas Industrial Commission is pushing hard for the Legislature to submit a Constitutional amendment to allow municipalities to issue revenue bonds to build facilities and lure industry. Bonds would be retired by rent from the industry.

Commission decided to recommend the program largely because of the current tight money market.

SHORT SNORTS

Federal funds totaling \$3,098,383 still are available through the Texas Education Agency to some 300 Texas school districts for the education of deprived children.

Workmen's Compensation premiums will decline an average of eight-tenths of one per cent, effective December 1, if staff recommendations are adopted by the State Board of Insurance. This represents a reduction of \$1,225,000 in premiums to be paid by Texas employers.

A \$329,090 grant has been made to the Texas Office of Economic Opportunity for technical aid to communities wanting to participate in the war on poverty.

State Health Department found 11 public school employees with tuberculosis in a 459-district check.

Texas Water Development Board reports streamflow high in the eastern half of the

state and the Rio Grande area below Fort Quitman, but near average for the balance of the state except for the pre-handle where the flow is low.

Senate Public Works Committee approved a \$3,700,000 watershed improvement program on Rush Creek, located in Comanche, Eastland and Brown Counties.

Texas motorists will use 4,900,000,000 gallons of motor fuel this year, or 5.1 per cent over 1965, according to the Texas Highway Department.

Atty. Gen. Waggoner Carr told the U. S. Supreme Court that 537 of Texas' toughest criminals would be set free if state law providing longer

sentences for those with prior convictions is struck down.

Local Ag Teachers Attend In-Service Training Meeting

T. C. Blankinship and Milburn Wink, local vocational agriculture teachers attended an in-service training meeting of the Stamford District of Vocational Agriculture Teachers of Texas Association Wednesday in Hawley. The meeting was held at Hawley High School with the Hawley vocational agriculture department serving as host.

# Neinda Philosopher Believes Scientists Have Forgotten That There's No Moonlight On the Moon

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 looks into a minor problem this week.

On the theory that some day the Viet Nam problem will be solved, well I really don't mean solved, most problems like that aren't solved, they just dissolve, I was looking around on the inside pages of a newspaper last night to sort of change the subject and ran across a couple of items that interested me.

One of them was an article saying an official of the National Space Council believes that by the year 2001 space-ships to the moon will be a regular thing and he predicts that trips to the moon will be more popular for honeymooners than trips to Niagara Falls used to be.

Maybe so, but I'm afraid he's not taking any practical view of the proposition.

In the same paper I read another item about the moon, and this one pointed out that

the rockets already put on that planet have reported back that at night up there the temperature drops to 260 degrees below zero. Also, the night lasts two weeks. Anybody who already this year has felt the first twinges of oncoming winter, where temperatures in the 30's and 40's feel chilly, can get some notion of how cold 260 below zero is.

Furthermore, when day finally dawns, and a day up there lasts two weeks too, the temperature soars to 260 degrees above zero.

I don't know how many honeymooners now go to Niagara Falls, but I can tell you how many will want to go to the moon under those weather conditions. None, outside maybe a flagpole-sitter here and there.

The last place I'd want to invest any money in would be a motel on the moon. About the time you got enough ice in the swimming pool to get it cool enough to swim in during the 260-degree day, the sun would go down and you'd have to bring it up to a boil for night use.

And I guess I just don't have a scientific mind, because I can't imagine two honeymooners strolling around the moon hand in hand, each

## Small Grain Test Plot Planted On J. S. Dickey Farm

A small grain fertilizer and variety demonstration test plot was established this week on the J. S. Dickey Farm located 2 miles south of Hamlin on Farm Market Road 126, according to Jones County Agent Kirby Clayton.

The test plot was established on a plot 350' x 350' facing farm to market road 126, just off of US highway 83.

The variety test includes ten wheat, eight different varieties of oats and six varieties of barley. Wheat varieties being tested are: Kay, Crockett, tascosa, scout, improved triumph, caddo, bison, warrior, sturdy and gage. Oat varieties include Bronco, ora, new nortex, alamo x, mustang, dubois, cimaron, norwin. Barley varieties include cardova, zora, will, barsoy, harrison and eogers.

Twelve different plots of fertilizer, using different rates and combinations were applied and replicated three times. Caddo wheat was used on the fertilizer test plot.

The test plot will be labeled and a field day will be held later next spring where farmers may view results of the demonstration.

## Stamford Rites Held for Former Resident Oct. 14

Services were held in Stamford Oct. 14 for a former Hamlin resident, Mrs. Tom J. McAllister, 76.

She was born Irwie Link, in Blossom, Tex. In 1901 she moved with her parents, the late Mr. and Mrs. N. Link, to Jones County.

She married Tom J. McAllister at Tuxedo in 1911. He died in 1944.

She lived in Hamlin for 25 years before moving to Stam-

ford in 1957.

Services were held in Kinney Funeral Chapel with Rev. Eugene Matthews, pastor of St. John's Methodist Church, and Rev. Jack Southerland, pastor of the First Baptist Church, officiating.

Burial was in Hamlin East Cemetery.

Survivors include two sisters, Mrs. R. B. Buie, and Miss Elsie V. Link, both of Stamford; and two brothers, Judge W. T. Link of Clarendon and Elmo E. Link of Tuxedo.

Texas has produced 28.7 billion barrels of oil, or 36.3% of U. S. total.

## Attend Georgetown Church 100th Anniversary Sun.

Mrs. Joe A. Simpson, Miss Carol Joe Simpson, Mr. and Mrs. Charles Absher, Lisa Joe and Pamela Ann spent Sunday in Georgetown, where they attended the 100th anniversary services of the First Baptist Church.

Mrs. Simpson's grandparents were members and her parents, Mr. and Mrs. Lott L. Shell Sr. are members now. Mrs. Shell has been a member longer than any other

## NEWS AND VIEWS . . .

### And What Have You

By BOB CRAIG

With the off year election just around the corner, talk is still rather sparse and the vote will probably be just about as light.

State-wide, the race between Waggoner Carr and John Tower may be creating some interest but around this area it does not seem to be causing much stir.

Voters will also be deciding the fate of 16 amendments to our state's antiquated constitution.

Since this is an off year, election-wise, it is very doubtful that the turnout will be very great. This is a shame because there should be more interest shown in who will represent us in the Senate.

Part of this problem arises from the fact that it has been some time since Texas has been truly represented in the Senate anyway. When you have a far out Democratic Liberal holding down one seat and a far out Republican Conservative in the other seat you might just as well not have anyone up there.

The following two paragraphs are taken from an editorial in the Matador Tribune and pretty well sum up this writer's opinion on the senate race.

"Let us weigh these facts: The Democrats are in power and Texas is a Democratic state. Any influence we may have in Washington must come from Democrats. We can't change the picture with Texas Republicans. John Tower is proof, assuming that he is capable, he might as well be in outer Mongolia as Washington, as far as his value to Texas is concerned.

"It is possible that you, as a voter, may be disgruntled about the administration, and that you plan to do something about it come Nov. 8. The best way to change things is with representation in the party that is in power. To elect Republicans is like throwing the pole, line, hook and bait in the creek. It is, of course, your prerogative. It is your vote."

For these reasons and the fact that Waggoner Carr as proven to be a very capable public servant during the years he has been in Austin we feel that he can best serve the interests of West Texas in Washington.

As usual during this time of the year, "King Football" is the top topic of conversation whenever people gather for coffee around town. And most of this is centered around three leagues: District 5-AA, the Southwest Conference and the National Football League.

And the way things are going now all three leagues are furnishing ample matter for conversation as their race for the crown get more confused each week.

With Stamford and Colorado City tying Friday night it put Winters out in front in District 5-AA but they must face Stamford, Anson and Colorado City in their final three games. So, it would seem likely that it could go down to the wire before the winner is decided.

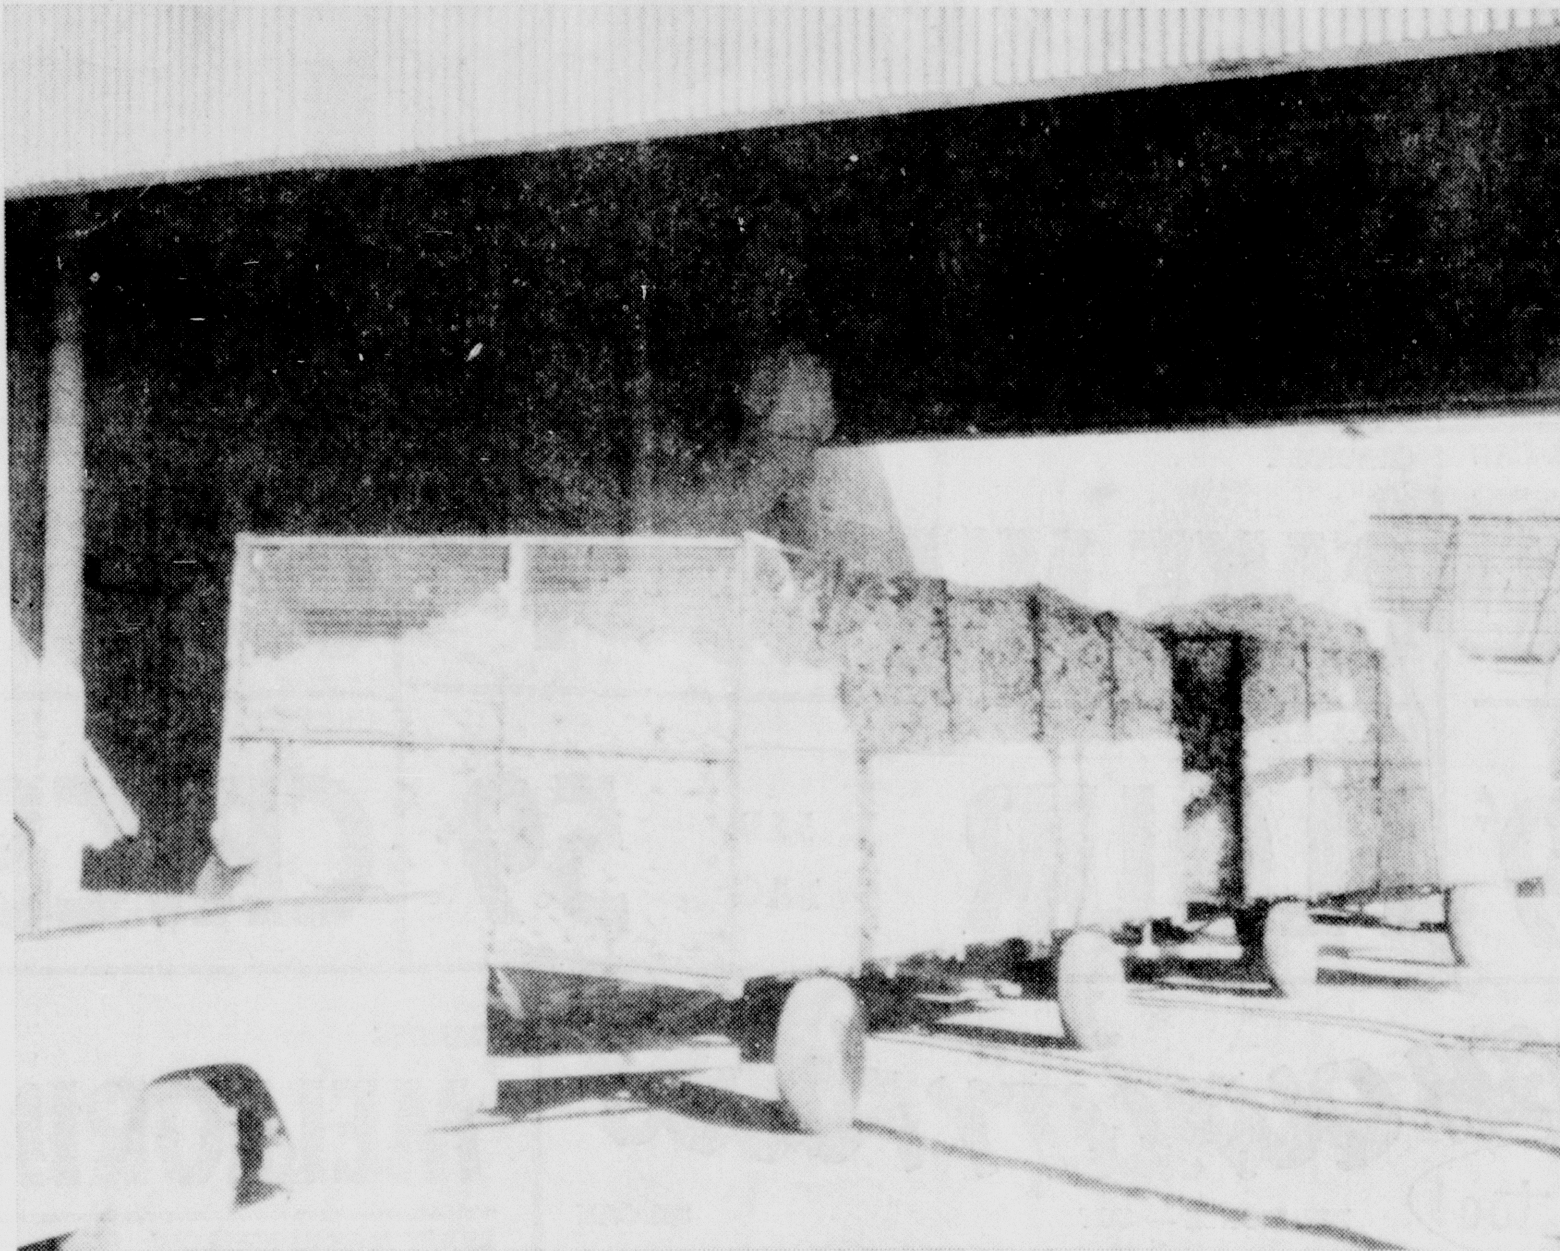

In the Southwest Conference it is even more likely that things will get worse before they get better in settling on the champion. When the sentimental favorite, Baylor, got beat Saturday by A&M, things took on a new look in that conference with A&M and SMU in the lead.

Both of these teams have a long way to go and if both lose a game it opens it back up for Arkansas, Texas and Baylor.

So this one could have to wait until November to decide who will play in the Cotton Bowl. And of course, if A&M wins it, it gets worse because they can not play in a bowl game.

And the Cowboys would seem to be something else as they were going great-guns and now find themselves tying and losing a game. If this is just temporary they are still in good shape as they remain tied for the lead. But if they are in a slump of any duration they could be in real trouble.

And on the local scene, we would hope for the sake of the boys that are out there trying, that more Hamlin fans show up for the game here Friday than have been at the last two games. The boys deserve more than this.

**GINS BEGINNING TO HUM** — Fifty-seven bales of cotton were processed at the Farmers Co-op Gin here Tuesday and a larger number was expected to be ginned Wednesday when this picture was taken. With

favorable weather conditions it is expected that the harvest will be in full swing by next week. Jody Ford behind the pickup unhitches the trailers of cotton. Bill Guerra is on top of the load working the suction.

### Mother of Mrs. B. V. Newberry Dies In Chillicothe

Mrs. Mollie Young, 93, mother of Mrs. B. V. Newberry, died Sunday morning in the Chillicothe Hospital.

She was born Aug. 7, 1873. She had been a resident of Hardeman County for 60 years.

Services were held at 3 p. m. Tuesday in Medicine Mounds Baptist Church where she was a charter member. Burial was in Big Valley Cemetery.

Survivors include three sons, three daughters two brothers, two sisters, 11 grandchildren, 13 great-grandchildren and one great-great-grandchild.

### Local Young People Plan Drive For CROP Here Sunday Evening

The young people of Hamlin will band together Sunday evening in a community wide effort to gather funds for CROP, the community Food Appeal of Church World Service.

Food, fibre and cash is collected in communities throughout the United States for the world relief programs of the churches.

Sponsored by the Hamlin Ministerial Alliance, the CROP drive will be held Sunday from 5:30 to 6:30 p.m. The youth will assemble at First

Methodist Church in the Fellowship Hall at 5 p.m. to receive assignments and instructions.

Through CROP emergency supplies are provided for disaster victims, milk and foods are used for deprived children in school feeding programs, self-help materials and food-for-wages in development reconstruction and rehabilitation projects are made possible.

Governor John Connally has designated Oct. 24-31 Texas Crop Week. CROP has become a symbol of Halloween to the young people of Texas.

The youth will be identified by an orange and yellow tag identifying Crop and Church World Service.

Rev. C. J. Rigmaiden, president of the Hamlin Ministerial Alliance, is being assisted by Rev. Marshall Stewart and Rev. Cecil Hardaway in setting up the drive.

### Services Held Here Friday for Mrs. W. H. Johnson, 76

Services were held here Friday at 2:30 p. m. for Mrs. W. H. (Emma) Johnson, 76, in First Methodist Church. She died at 10:40 a. m. Thursday at Holiday Lodge.

Rev. Cecil Hardaway, pastor, officiated. Burial was in Hamlin East Cemetery.

Mrs. Johnson of 237 West Lake Drive had lived in Hamlin for 50 years. She had been ill for two years.

Born June 11, 1890, she was the daughter of the late Mr. and Mrs. R. M. Hudson of Callahan County. She married Will H. Johnson in Jones County Aug. 18, 1907. He died in 1948.

She was a member of First Methodist Church.

Survivors include two brothers, Bill Hudson of Abilene, Weldon Hudson of Hamlin; six sisters, Mrs. Fed H. Britton, Mrs. R. E. Gilreath, Mrs. W. J. Renfro, Mrs. B. E. Mixon, Miss Valeria Hudson, and Miss Ava Hudson, all of Hamlin.

Pallbearers were John Howard Jr., Cliff Reynolds Jr., Cecil Richardson, Ed Gardner, Don Hymer, Bill Smith.

Mr. and Mrs. A. J. Pemberton returned home Sunday after a 3,000 mile trip to Detroit, Mich., Indiana, Ohio,

Kentucky, Louisiana, Arkansas, Kansas and Oklahoma. They visited their son, A. L. Pemberton and family, in Detroit and a grandson, Billy Pemberton at Oakland University in Rochester Mich.

### Former Resident Selected for Army Air Defense Post

Col. Willie L. Scott, son of Mrs. Frances Scott, 153 S. W. Fourth, has been selected for a four year assignment with the Army Air Defense Command (ARADCOM) in Colorado Springs, Colo.

He was one of the National Guardsmen to be nominated by the respective adjutants general of the 50 states and was chosen by Lt. Gen. Robert Hackett, commander general, ARADCOM, after the list had been narrowed to four men.

Col. Scott, 46, has been affiliated with the National Guard of Texas since Oct. 10, 1938.

A graduate of Hamlin High School in 1938, he received his BS degree in 1947 and MA degree in 1949 from Hardin Simmons University, Abilene.

He is married to the former Billie Sue White of Lamesa. They have two children, Richard, 8, and Allison, 7.

#### BRIDGE WINNERS

Winners at the Tuesday evening session of the Hamlin Duplicate Bridge Club were Harvey Elkins and Grady Bowdry of Stamford. Mrs. W. L. Hunter, Jr. and Mrs. L. W. Shivers were second, and Mrs. Grady Bowdry and Harry Yates of Stamford were third.

## Cotton Growers Seeking Help In Getting USDA Ruling Changed; Area Farmers Being Penalized

Farmers in the Rolling Plains are now receiving 1967 cotton allotment and projected yields. In 24 counties covered by the RCGC projected yields for 1967 are less than they were in 1936. In seven counties, 1967 yields exceed 1966 but not as much as they should. Most other counties in the State and other states are receiving increases of substantial amounts.

According to Charles Stenholm, executive vice president of the Rolling Plains Cotton Growers, some of the decreases in yield in a few counties in the Rolling Plains are justifiable but about 80% are not. "If you are a skip-row farmer and have been for the past five years, you are being unfairly, if not illegally, discriminated against by a ruling from the USDA. The ruling has the effect of saying that skip-row penalties in force during 1966 are also retroactively in effect back through 1962 through 1965. In other words, if you planted cotton 2-1 (2 rows cotton - skip 1 row) in 1963, the Department is now saying

## Pipers to Host Haskell Indians

The Pied Pipers will host Haskell here Friday night in the final home stand for the local team. Both teams will be seeking their first district win. Haskell lost last week to Anson, 8-0, and to Winters the week before, 31-3.

Coach Joe Youngblood said this week that he expects his team to be in better shape this week with the return of some of the injured. Lewis Shelton is expected to see action this week after being injured in the Clyde game.

The Haskell Indians lost

their top running back several weeks ago when Halfback Thornton Gilmore suffered a knee injury in the game with Olney. Since that time they have taken to the air more. Against Anson last week they passed 32 times, completing nine for 109 yards.

Probable starters for the Indians will be Ray Herren, 165 pounds, at left end; Paul Hiebert, 210 pounds, at left tackle; Glen Smart, 155 pounds, at left guard; Bill Ratliff, 200 pounds, at center; Derrel Davis, 165 pounds, at right guard; James Wall, 175 pounds, at right tackle; and Stanley Fancher, 160 pounds, at right end.

In the backfield will be Tim Everett, 150 pounds, at quarterback; Johnny Josselet, 160 pounds, at left halfback; Kenneth Felker, 155 pounds, at fullback; and Keith Chapman, 150 pounds, at right halfback.

Operating from the Denver City type T, Everett is a good runner and an effective passer with his best receiver being his left end, Herren.

The Freshmen will host Albany here tonight (Thursday) at 6 p.m. and the B Team will host Anson in the game to follow. Both teams lost to Colorado City last Thursday in games played there.

Tuesday night the seventh and eighth grade teams will host Haskell in their final home game. The seventh will play at 6 and the eighth at 7.

### Booster Club Sets Ice Cream Supper Players, Parents

The Pied Piper Booster Club will host an Ice Cream Supper Monday night honoring the parents of all the high school football players, according to Burt Oliver, president.

The boys and their parents are invited to attend. It will be held at the high school cafeteria at 7 p.m. The Haskell game movie will be shown.

### Jones County 4-H Achievement Banquet Date Set

The Annual Jones County 4-H Achievement Banquet has been set for Thursday, Nov. 10 at 7:30 p. m. in The Anson Grade School Cafeteria, according to a statement this week by Jones County Extension agents, Mary Y. Newberry and Kirby Clayton. The banquet was planned at a special meeting of Adult 4-H Leaders held in the county extension agents' office.

## 1964 Farm Census Shows County Lost 82 Farms Since '59; Value Up

A total of 1,120 farms was counted in Jones county during the 1964 Census of Agriculture, the U. S. Department of Commerce's Bureau of the Census reports.

In the last previous Census of Agriculture (1959), the total counted in the county was 1,202 farms.

The 1964 total is published in a preliminary report on the county just issued. The report also shows that average farm size in the county was 743.1 acres and that the average value of the county's farms (land and buildings) in 1964 was \$76,154.

Other important county statistics in the report are:

1. Value of all farm products sold by farms in the county in 1964, \$11,175,909; in 1959, \$13,318,546;

2. Value of all crops sold by county farms in 1964, \$7,418,177; in 1959, \$9,817,220.

3. Value of all livestock and livestock products sold by county farms in 1964, \$3,756,886; in 1959, \$3,501,326.

Information obtained for the first time in an agricultural

census included the amount of income received by the county's farmers (\$846) from recreational services as well as data on the use of pest control chemicals in the county in 1964.

A Census of Agriculture is taken every 5 years ending in "4" and "9" to gather information on the nation's agricultural resources and production. The data are needed to make decisions affecting many segments of the U. S. economy. The 1964 farm census was the 18th in a series that began in 1840.

The preliminary report for the county contains more than 500 facts about agriculture in the county. Among additional facts it contains are the number of farms by size, type, and economic class; the number of farm operators by method of tenure, age, color, off-farm work, and number of school years completed; land in farms by use and by equipment and facilities; farm expenditures; number of hired workers; and number of farms reporting poultry and livestock production and those reporting crop production by acres and quantities as well as sales.

### School Pictures

## The Take Charge cars for '67 are all under one roof. Ours.

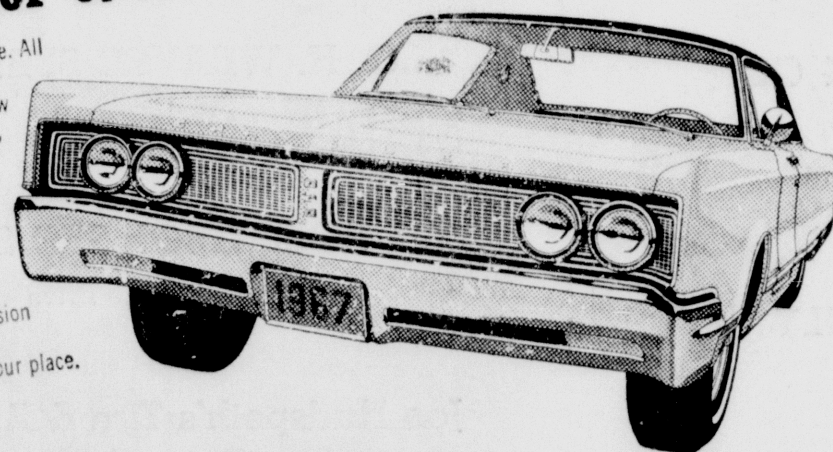

We have 5 different Chrysler series this year. All full-size. All full-value.

Take our 4 Chrysler Newport. They're priced just a few dollars a month more than the most popular cars, comparably equipped.

That includes power steering, power brakes, an automatic transmission, a radio, heater and all the essential safety features.

It also includes one of the biggest V-8 engines made that runs on regular gas. The biggest brakes in the medium-price field. And the only torsion-bar suspension system available in Chrysler's price class.

The '67 Chryslers are taking charge. See them at our place.

## OLD GLORY NEWS...

By Judy White

Cotton harvesting season is here again, but it seems strangely quiet this year. We miss the hum of the old cotton gin. The Old Glory gin is not operating this year and farmers are having to haul their cotton to neighboring towns.

Old Glory Pirates scored a big victory over Noodle in their opening game of the basketball season on Tuesday night of last week. Larry Pate hit 33 points and led our boys to a 63-32 victory. Joe Mack Boles made the most spectacular play of the night when he tossed the ball from the Noodle end a split second before the bell rang at the close of the first quarter and put it right through the Old Glory basket.

In the girls game, Stephanie Letz led the way with 45 points as old Glory took a 66-24 decision.

Mr. and Mrs. Oren (Sprout) Baldree were honored with a housewarming last Sunday. The Baldrees have recently built a new home on their farm about three miles east of Old Glory. Hostesses were Mmes. Clovis Henderson, Cliff Gholson, Edward Wolsch, Eugene Vahlenkamp, B. A. Erdman, Herbert Lammert, Curtis Weise, Hebert Vahlenkamp, Lewis Corzine, Arnold Heathcott, and Vernon Baldree. About seventy-five guests attended.

Members of Old Glory attending the District meeting of Delta Kappa Gamma in Haskell last Saturday were Mmes. Tom Pritchard, Travis Bail, Cecil Klump, and J. B. Pumphrey.

Jackie Pritchard spent several days in Abilene last week visiting his grandparents, Mr. and Mrs. Jack High.

James D. Blaine of Dade City, Florida visited in the home of Mr. and Mrs. Oren Baldree last week. Mr. Blaine and Baldree were army buddies in World War II.

## Agent Sites Need For Pasture Care

Pastures are almost a year-round growing crop and will be making money after other crops are harvested. Therefore, says County Agent Kirby Clayton, pastures should not be neglected during the busy harvesting season.

Each season's pasture needs its own fertilization and care, he points out. Farmers or stockmen who did not plant enough winter grazing early still have time to plant wheat, oats or ryegrass or mixtures of these for winter and early spring grazing, says Clayton. A soil test recommendation should be followed in making fertilizer applications.

## SYLVESTER NEWS...

By Mrs. R. M. Babb

Good morning! Every body is very busy and no time to talk, combining maize, pulling and stripping cotton and any thing else that goes with the farm. The weather seems to be in accord with all as it is pretty but cool this morning, so therefore we should have a big bunch of energy?

Mrs. Belle Douglas had visiting in her home last week Douglas Moffett and family. Mr. and Mrs. Jack Perkins from Girard.

Mr. and Mrs. Edwards of

O'Donnell and Mrs. Bill Edwards and son of Amarillo spent a few hours with Mrs. John Edwards last Tuesday. Mrs. Chub Hardwick and son Wenzel Marlin came home Tuesday, accompanied by Mrs. Walker of Abilene. Mrs. Hardwick's mother, who has been helping Noressa care for the new baby.

Mr. and Mrs. Woodford Pursley took their grandchildren home on Thursday after Mr. and Mrs. Fred Fountain returned to Fort Worth having been here several days attending to business.

Mr. Pete Pursley and son Cadmus of Andrews, Mr. and Mrs. Woodford Pursley ate lunch with the Homer Pursleys on Sunday. Pete and Cadmus were driving on to Ft. Worth for a few days.

Mrs. Delia Beard is visiting her sisters here. She lives in Ft. Worth.

Mrs. Emma Henry is in Callan Hospital, having suffered a bad heart attack last week. She is improving but will be there several days yet. Mr. Chunkie Brown is in Hamlin Hospital with the flu. We surely hope he does alright.

Mrs. J. J. Self, not being able to live alone since she has had several strokes, has sold her home to the Ernest McCright's. We hope our new residents will like us, although we will miss Mrs. Self very much.

Our sympathy to the Lawlis family on the loss of Mr. George Lawlis, every one that knew him loved him. Many of our people here in town attended the funeral in Hamlin on Sunday afternoon.

The Kenneth Leverett's spent the weekend in Abilene visiting relatives and friends.

Visiting in the Fred Turner home the past few days were Mrs. Thomas Bartley and son, Mr. and Mrs. Roy Collier all of Brownfield, and Mrs. Floyce Campbell of Abilene.

The Gary Douglasses and Kenneth Douglasses visited in their parents home, the Ross Douglasses, and attended the Trent Homecoming.

Mrs. Ella Scott, of the Holiday Lodge in Hamlin got out to the Charles Scott home on Sunday for a day early Birthday dinner and a visit with her daughter and family.

Mr. and Mrs. Murrel Turner of Farwell and Grand son and family, Mr. and Mrs. Charles Allen Scott of Abilene. Mrs. Ella reported to me that she really had a wonderful time and hopes it won't be long until she can come home to stay.

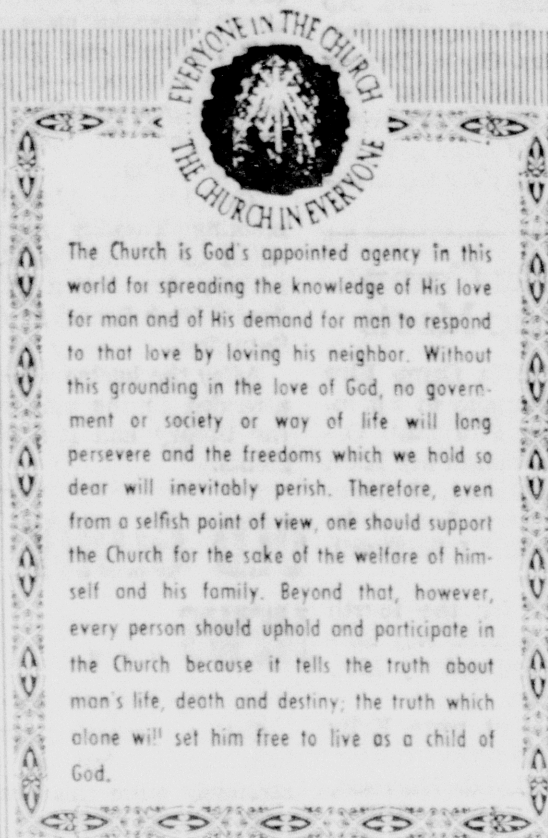

Miss Lula Hassey of Tye spent last Thursday night with Mrs. Ruth Brown. Miss Hassey is the retired Postmaster of Tye. Also visiting in the Brown home on the weekend were the Jerry Prather family of Sweetwater.

## LEARNING GOOD HABITS EARLY

*"Train up a child in the way he should go; and when he is old, he will not depart from it."*

This statement (made by Solomon, thousands of years ago) is just as true and vital today as it was then.

Teach your children the good practice of saving for the future. Teach them to attend worship services in God's house by taking them each Sunday.

## Fumbles, Pass Interceptions Kill Pipers As Winters Wins 33-7

The Winters' Blizzards racked up three touchdowns Friday night before the Pipers could get their offense moving as the Blizzards won their second district contest, 33-7.

The Blizzards moved up to district leaders as the Stamford Bulldogs and the Colorado City Wolves fought to a 6-6 deadlock.

The Pipers failed to stop the Blizzards in the first half and they scored 19 points. The Pipers defense did a better job in the second half only to have the offense lose the ball five times on fumbles and interceptions.

The Blizzards took the opening kickoff and drove 75 yards in nine plays to get on the score board with 7:32 left in the quarter. Quarterback Alvin Dunn scored from 29 yards out. The extra point try failed after the Blizzards were penalized 15 yards.

The Pipers gained a first down after the kickoff but were forced to punt from their own 40.

Operating from their own 28, the Blizzards drove down to score again with Fullback

Jerry Awalt going 20 yards on the draw. Dunn tried to pick up two points on the extra point play but his pass went incomplete.

The two teams exchanged punts with Winters gaining field position after Sammy Ferguson's 19 yarder to the Hamlin 28. Awalt scored again on a plunge over left tackle from the 14. Fred Gray booted the point after.

Playing at halfback and tailback, Philip Simpson got the Pipers moving in the waning minutes of the first half. He carried for 36 yards from his 27 to the Winters 37 and then Ferguson carried twice for seven yards. Simpson picked up another first down with a four yard carry to the 26. He was thrown for a yard loss and then picked up seven and three yards. Ferguson carried

## Field Day Set On Defoliation Friday On Propst Farm

A Cotton Farmers Field Day to observe results of the defoliation demonstration on the Hoke Propst farm will be held at 9:00 a. m. on Friday, October 28th according to an announcement today by Jones County agent, Kirby Clayton. The demonstration plot was put out at 11:00 a. m. on October 18th by the Hamlin Flying Service and was sponsored jointly by the Chemagro Chemical Company of Dallas, Farmers Coop Gin of Anson, and the local county agent.

Five different materials or combination of materials were flown on at various rates and combinations. The various treatments and costs are listed below:

1. ½ gallon Arsenic Acid in 5 gallons water (.87½ cents per acre)
2. 1 pint Paraquat in 5-10 gallons water (.350 per acre)
3. 5 lbs. Sodium Chlorate in 5 gallons water (\$1.77 per acre)
4. 1½ pints DEF in 5 gallons water (\$1.60 per acre)
5. ½ pint Paraquat and ½ pint DEF in 5 gallons water (\$2.01 per acre)

The demonstration is on the Hoke Propst farm, just across the road from the Anson Farmers Coop Gin in Anson. All farmers are invited to come and see the results at 9:00 a. m. Friday, October 28.

The demonstration has been marked so that those who can't make the field day, may come by and observe the results later.

## Farmers May Graze Diverted Acres After Nov. 1

Farmers who diverted acreage under the 1966 feed grain, wheat and cotton programs will soon be able to graze this acreage without losing program benefits. A. D. Hill, Chairman, Agricultural Stabilization and Conservation Committee, has announced.

The starting date for such grazing will be November 1, marking the end of the 6-month period during which the no-grazing provision was in effect under the diversion programs.

The Chairman stressed, however, that this program relaxation regarding use of the acreage applies only to grazing acres diverted from commodity production. Hay on such acreages still may not be harvested.

Land diverted under the Conservation Reserve Program may not be grazed or harvested through the whole year.

Jones County farms participating in the 1966 Commodity Diversion programs number about 1,700.

## Absentee Voting Running Light In Jones County

Absentee voting for the general election Nov. 8 has been light in Jones County. Normally this is a barometer as to the total vote to be cast in an election.

Up until Monday noon, two persons has cast ballots in the office of County Clerk Roy Thorn and five ballots had been mailed out.

The ballot is about 17x22 inches in size and contains 16 proposed amendments to the Texas Constitution as well as the Democratic and Republican candidates for national and state offices. Also listed are the Democratic nominees for county offices and a column is provided for write-in.

It has been ten long years since any line of American prestige automobiles was really new. As new as you wanted it to be. Imperial '67... Just think about it. A new engine, suspension, body, and interior.

The front seat of Imperial's Four-Door Hardtop is illustrated above. It is a sofa for three which adjusts into twin armchairs or an armchair plus passenger recliner.

Consider the new Imperial Sedan shown below. Priced to make Imperial ownership a possibility for more fine-car buyers than ever before. It is replete with luxuries. A vanity in the dash. A glove compartment in each door. An array of brushed-steel controls concealed behind cabinet doors. All the essential power assists — windows, brakes, steering, automatic transmission and window locks. Plus a 440 cubic inch engine underneath.

Imperial '67 is what a luxury car was always meant to be. As you will discover for yourself. At our showroom. Or with a simple phone call, in the privacy of your own drive.

Stop in. We'd like to show you the newest prestige automobile in a decade.

# STATE CAPITAL Highlights AND Sidelights by Vern Sanford

Austin — Texans will vote on 16 proposed amendments to the State Constitution on November 8.

Major interest has been attracted to two amendments: No. 11 would double the Texas Water Development Fund from \$200,000,000 to \$400,000,000 and broaden its uses to include water filtration, treatment and transportation facilities.

No. 7 would repeal the poll tax (already nullified by court decision) and substitute annual voter registration.

Other amendments would: Increase elected judges of the Court of Criminal Appeals from three to five (No. 9). Exempt agricultural lands in urban areas from full-value taxation (No. 1).

Provide that taxes or bonds voted by school district will be invalidated by changes in boundaries (No. 10).

Remove limitations on voting by armed services personnel (already invalidated by federal court) (No. 14).

Set legislator's term beginning on opening day of regular lawmaking sessions (No. 16).

Remove Arlington State College from permanent university fund (No. 3).

Authorize Legislature to pass laws to accomplish the following:

Create airport authorities (No. 2).

Set terms of conservation district directors up to six years (No. 4).

Provide a statewide retirement system for employees of counties and subdivisions (No. 5).

Permit benefit payments to survivors of law officers, prison guards and firemen killed on duty (No. 6).

Ease voting restrictions for those who have recently moved (No. 8).

Provide for dissolving hospital districts (No. 12).

Permit major counties to consolidate some governmental functions and make contract with each other for services (No. 13).

Authorize acceptance of private or federal funds for aid to physically and mentally handicapped (No. 15).

Oil Allowable Up — Texas Railroad Commission hiked the statewide oil production allowable for November to 34.5 per cent of potential. It was the second monthly boost in a row and the highest level since June.

Factor permits production of 3,179,115 barrels a day, compared with 3,154,384 for October. Figure for November last year was 2,884,856 at 28.4 per cent. In taking the action, Commission noted strong demands for gasoline and kerosene and declining crude oil stocks.

Court Speaks — Dallas County district attorney asked the Court of Criminal Appeals to reconsider its ruling that Jack Ruby, convicted slayer of presidential assassin Lee Harvey Oswald, must get a new trial.

Supreme Court declined to reconsider its opinion that the City of Dallas could order a movie to be advertised as not suitable for youngsters.

Reversing the lower courts, the Supreme Court ordered a new trial of a Burnet County

couple's suit concerning the method of computing interest on a loan from Fredericksburg loan association.

In a Saguin case, the high court agreed that a school district can reassess invalid values it places on property.

Industrial \$\$\$ — Texas is one of four states still without some type of statewide industrial financing.

Texas Industrial Commission is pushing hard for the Legislature to submit a Constitutional amendment to allow municipalities to issue revenue bonds to build facilities and lure industry. Bonds would be retired by rent from the industry.

Commission decided to recommend the program largely because of the current tight money market.

Local Ag Teachers Attend In-Service Training Meeting

T. C. Blankinship and Milburn Wink, local vocational agriculture teachers attended an in-service training meeting of the Stamford District of Vocational Agriculture Teachers of Texas Association Wednesday in Hawley. The meeting was held at Hawley High School with the Hawley vocational agriculture department serving as host.

Dr. Edwin DeBose from the Agriculture Department of Ardene Christian College in Ardene gave the program. The program was on physical characteristics used to select livestock with more muscling. The more muscling an animal has, the more lean meat its carcass will have.

In a business meeting plans for the Stamford District FFA Leadership Contests were made. The contests will be held in Hamlin Nov. 15. The Hamlin FFA Chapter will serve as host.

Plans for the 1967 Jones County Livestock Show were made Tuesday at a meeting held in Anson by the Jones County Livestock Show Association. Anson Will serve as host town.

Attending the meeting from Hamlin were T. E. Blankinship and Milburn Wink. Other vocational agriculture teachers present were Weldon Holbrook and W. L. Medford, Stamford; Don Welch, Ackerly; C. L. Evers, Leaders; Wayne Forrest, Hawley; Ernest Tate, Noodle; J. F. Dorier and Dennis Elberch, Hamlin.

# Neinda Philosopher Believes Scientists Have Forgotten That There's No Moonlight On the Moon

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 looks into a minor problem this week.

Dear editor:

On the theory that some day the Viet Nam problem will be solved, well I really don't mean solved, most problems like that aren't solved, they just dissolve, I was looking around on the inside pages of a newspaper last night to sort of change the subject and ran across a couple of items that interested me.

One of them was an article saying an official of the National Space Council believes that by the year 2001 space-ships to the moon will be a regular thing and he predicts that trips to the moon will be more popular for honeymooners than trips to Niagara Falls used to be.

Maybe so, but I'm afraid he's not taking any practical view of the proposition.

In the same paper I read another item about the moon, and this one pointed out that

## George Lawlis, 81, Dies Here Friday, Rites Held Sunday

George M. Lawlis, 81, died at her home at 612 West Lake Drive Friday at 7 p. m. He had been a resident of Hamlin for three years.

A retired farmer, he had lived in Sylvester for 55 years before moving to Hamlin. He lived in Anson six years.

Services were held Sunday at 2:30 p. m. in First Methodist Church. Rev. Cecil Hardaway, pastor, officiated. Burial was in Newman Cemetery at Sylvester.

Mr. Lawlis was born in Gordon, Ark., Dec. 3, 1884. His parents were the late Mr. and Mrs. P. W. Lawlis.

Dec. 20, 1908, he was married to the former Frances Susan Robertson in Anson.

He was a member of First Methodist Church and Masonic Lodge.

Survivors include his wife; two sons, Ovid C. Lawlis of Bovina, Dr. Virgil B. Lawlis of Austin; one daughter, Mrs. Don (Frances) Raymond of Levelland; five brothers, Lewis of Floydada, Homer and Woodrow of Sylvester, P. W. of McCauley, Otha Ray of Coleman; three sisters, Mrs. Jesse D. Green of Sweetwater, Mrs. F. E. Sipe of Sylvester, Mrs. Finis Sexton of Slaton; 11 grandchildren and six great-grandchildren. One son, Frank, preceded his father in death.

Grandsons were pallbearers. They were Frank Lawlis, James Lawlis, David Lawlis, Grover Lawlis, Mickey Owens and Jimmy Cox.

the rockets already put on that planet have reported back that at night up there the temperature drops to 260 degrees below zero. Also, the night lasts two weeks. Anybody who already this year has felt the first twinges of oncoming winter, where temperatures in the 30's and 40's feel chilly, can get some notion of how cold 260 below zero is.

Furthermore, when day finally dawns, and a day up there lasts two weeks too, the temperature soars to 260 degrees above zero.

I don't know how many honeymooners now go to Niagara Falls, but I can tell you how many will want to go to the moon under those weather conditions. None, outside maybe a flagpole-sitter here and there.

The last place I'd want to invest any money in would be a motel on the moon. About the time you got enough ice in the swimming pool to get it cool enough to swim in during the 260-degree day, the sun would go down and you'd have to bring it up to a boil for night use.

And I guess I just don't have a scientific mind, because I can't imagine two honeymooners strolling around the moon hand in hand, each

## Small Grain Test Plot Planted On J. S. Dickey Farm

A small grain fertilizer and variety demonstration test plot was established this week on the J. S. Dickey Farm located 2 miles south of Hamlin on Farm Market Road 126, according to Jones County Agent Kirby Clayton.

The test plot was established on a plot 350' x 350' facing farm to market road 126, just off of US highway 83.

The variety test includes ten wheat, eight different varieties of oats and six varieties of barley. Wheat varieties being tested are: Kay, Crockett, tascosa, scout, improved triumph, caddo, bison, warrior, sturdy and gage. Oat varieties include Bronco, ora, new nortex, alamo x, mustang, dubois, cimaron, norwin. Barley varieties include cardova, zora, will, barsoy, harrison and eogers.

Twelve different plots of fertilizer, using different rates and combinations were applied and replicated three times. Caddo wheat was used on the fertilizer test plot.

The test plot will be labeled and a field day will be held later next spring where farmers may view results of the demonstration.

## Stamford Rites Held for Former Resident Oct. 14

Services were held in Stamford Oct. 14 for a former Hamlin resident, Mrs. Tom J. McAllister, 76.

She was born Irwie Link, in Blossom, Tex. In 1901 she moved with her parents, the late Mr. and Mrs. N. Link, to Jones County.

She married Tom J. McAllister at Tuxedo in 1911. He died in 1944.

She lived in Hamlin for 25 years before moving to Stamford in 1957.

ford in 1957.

Services were held in Kinney Funeral Chapel with Rev. Eugene Matthews, pastor of St. John's Methodist Church, and Rev. Jack Southerland, pastor of the First Baptist Church, officiating.

Burial was in Hamlin East Cemetery.

Survivors include two sisters, Mrs. R. B. Buie, and Miss Elsie V. Link, both of Stamford; and two brothers, Judge W. T. Link of Clarendon and Elmo E. Link of Tuxedo.

Texas has produced 28.7 billion barrels of oil, or 36.3% of U. S. total.

## Attend Georgetown Church 100th Anniversary Sun.

Mrs. Joe A. Simpson, Miss Carol Joe Simpson, Mr. and Mrs. Charles Absher, Lisa Joe and Pamela Ann spent Sunday in Georgetown, where they attended the 100th anniversary services of the First Baptist Church.

Mrs. Simpson's grandparents were members and her parents, Mr. and Mrs. Lott L. Shell Sr. are members now. Mrs. Shell has been a member longer than any other

living member, even though some of the members are older.

All of the Shell's six children, three daughters and three sons, and their husbands, wives, and grandchildren, with the exception of Mr. Simpson who was ill and four grandchildren, were present for the all day services Sunday.

Rubber Bands Hold Boots — Cut two thick rubber bands out of an innertube.

Then slip the bands over your socks in a figure eight

around your instep and ankle. You'll find this will prevent boots and waders from slipping off while fishing in mud or when duck hunting.
